4. ACCESS ARRANGEMENTS

Access Arrangements (AA) are examination arrangements granted to candidates with specific learning and physical needs, to enable them to sit the national examinations without compromising the assessment objectives. These arrangements are not intended to give the candidates an unfair advantage over other candidates taking the same examination.

If you require AA to sit the examination(s) due to specific learning and physical needs diagnosed before the examinations, you may apply for AA by following the instructions below.

4.1. APPLICATION FOR ACCESS ARRANGEMENTS

- Please complete the [AA application form](#) found on SEAB's website. Your application form and the supporting documents must be sent to SEAB_AA_Admin@seab.gov.sg via email by **31 March 2021**.
- SEAB will acknowledge your AA application within five working days of receipt of your application.
- AA applications may take up to three (3) to four (4) months to review. Late applications may not be accepted or approved due to the insufficient time for review.

- 4.1.1 The outcome of your AA application will be made known to you by the following months, provided you submit your application by **31 March 2021**:

- May 2021 for the Mid-Year MTL examinations
- June 2021 for the Year-End examinations

- 4.1.2 You must bring and present the approved AA outcome letter to the examination personnel before the start of your examination(s) requiring the provision of AA, so that they can verify any AA granted by SEAB.

- 4.1.3 To withdraw from any AA which was granted, please submit a request to SEAB via email at least five working days before the date of the examination requiring the AA. SEAB will not re-instate the provision of AA once the request for withdrawal has been approved by SEAB.

4.2. ANNOTATION ON RESULTS SLIP AND CERTIFICATES

Types of Access Arrangement with Annotation

Your results slip and certificates will be annotated for the following AA:

- Extra time allowance (including preparation time for oral examination);
- Exemption from satisfying the full range of assessment objectives in a subject (e.g. exemption from oral, listening comprehension etc.);
- Modification of examination papers;
- Use of word processor facilities and other computer aids;
- Use of Reader or Scribe; and
- Practical assistance in areas such as handling of apparatus during the practical examinations, using instruments or graph plotting.

Types of Annotation Symbols

There are two types of annotation symbols. The explanation for the symbols as provided on the reverse side of the result slip and certificate are as follows:

- **Exemption Symbol (#)**
'The candidate was exempted from satisfying the full range of assessment objectives in this subject.'
- **Access Arrangement Symbol (+)**
'The candidate sat the paper under access arrangements.'

4.2.1 SEAB annotates a candidate's result slip and certificate only when there are significant modifications for an examination. This is to indicate factually that the candidate had taken the examination under conditions that are different from the standard prescribed testing conditions and it is done to uphold the integrity of the system.

SEAB will not reveal the details regarding the non-standardised conditions, even if there are requests for them.

4.2.2 If a letter of withdrawal is not submitted at least five working days before the date of the examination, your result slip and certificate will still be annotated, even if you did not make use of the approved AA during the national examinations.
