in collaboration with  
CAMBRIDGE ASSESSMENT INTERNATIONAL EDUCATION  
General Certificate of Education Normal (Academic) Level

## NUTRITION AND FOOD SCIENCE

**6073/02**

Paper 2 Coursework

**For examination from 2022**

SPECIMEN PAPER

No Additional Materials are required.

**To be given to candidates at the beginning of the examination year.**

### READ THESE INSTRUCTIONS FIRST

The work presented for assessment is to be entirely that of the candidate under normal guidance of the teacher.

Candidates should be familiar with the scheme of assessment as detailed in the syllabus at the onset of the project. The 'Assessment Criteria for Paper 2: Coursework' in the syllabus should also be used to inform candidates of the various requirements for assessment of the work.

This document consists of **2** printed pages.

International Education

### Coursework Task

Obesity is an increasing problem among teenagers. Plan and prepare a range of interesting baked dishes with reduced fat content that would appeal to teenagers. You should include a rubbed-in cake in your choice.

Exploratory study: To investigate the effects of using different amounts of fat on the appearance, texture and taste in a rubbed-in cake of your choice. The quantity of fat in the recipe should be varied **three** times.
