Section B

Read the leaflet below and use the information to answer the question on page 3 of the Question Paper.

Types of Co-Curricular Activities (CCA)

Welcome to all new students! As we are starting the new academic year, let's look at other activities the school offers. Co-Curricular Activities (CCA) provide the chance to develop existing interests and discover new ones. Look at the information below to help you choose which CCA you would like to try.

SPORTS

Would you like to take up a new sport or perhaps get better at one you already do? Boost your energy levels, get fit and even enter competitions! There are options for team and individual sports, for example, basketball, gymnastics, and many more.

UNIFORMED GROUPS

If you want to help the community and work in a team, then a uniformed group such as Red Cross Youth or National Cadet Corps could be just the thing for you! Gain confidence and independence as you develop practical skills which will be useful even when you leave school.

CLUBS AND SOCIETIES

Find new friends who share your interests such as debating, cooking or computer games, and take your skills to the next level. Members of clubs and societies enjoy improving their skills and building new friendships.

VISUAL AND PERFORMING ARTS

Whether you are keen on drama, dance or music, you will find plenty of opportunities to be creative and perform. You might also discover talents you didn't realise you had.
