**Question 2**

You should look at the leaflet in the Insert, read the information carefully and plan your answer before you begin to write.

Your cousin has just started secondary school and is not sure which Co-Curricular Activity (CCA) to choose. The school gave your cousin a leaflet which describes four different types of CCAs. Your cousin has sent you this leaflet, asking how you made the choice when you started secondary school, and also for your advice on how to select the most suitable CCA.

Write an email to your cousin giving advice.

You must include the following details in your email:

- which CCA you chose **and** why
- how you benefited from your chosen CCA
- the things your cousin needs to think about when choosing a CCA
- suggest one type of CCA for your cousin **and** say why.

You may add any other details you think will be helpful.

Write your email in clear, accurate English. Make sure your tone is encouraging and informative in order to help your cousin to make the right choice.

You should **use your own words** as much as possible.
