INTRODUCTION

This document provides details of the Ordinary Level French syllabus for candidates in **Singapore**. This syllabus is available in October/November only.

Note: Centres and candidates should note that the use of dictionaries is not permitted in this assessment.

AIMS

The aims of the syllabus are the same for all students. The aims are set out below and describe the educational purposes of following a course in a language at Ordinary Level.

- To develop the ability to use the language effectively for purposes of practical communication in countries where the language is spoken.
- To form a sound base of skills, language and attitudes required for further study, work and leisure.
- To offer insights into the culture and civilisation of the countries where the language is spoken.
- To develop a fuller awareness of the nature of language and language learning.
- To encourage positive attitudes towards foreign language learning and towards speakers of foreign languages and a sympathetic approach to other cultures and civilisations.
- To provide enjoyment and intellectual stimulation.
- To complement other areas of study by encouraging skills of a more general application (e.g. analysis, memorising, drawing of inferences).

ASSESSMENT OBJECTIVES

The examination will assess candidates' linguistic competence and their knowledge of contemporary society by requiring them to:

- understand and respond to the spoken language drawn from a variety of sources and ranging from short to longer extracts
- understand and respond to texts written in the target language, drawn from a variety of sources and ranging from short to longer texts
- communicate in the spoken language
- communicate in writing to narrate events, give factual information and express and justify ideas and points of view.

ASSESSMENT

All candidates take Papers 1, 2, 3 and 4:

AVAILABILITY

This syllabus is available in October/November only.

DESCRIPTION OF COMPONENTS

PAPER 1: Writing (1 hour 30 minutes) (60 marks)

All candidates must attempt both questions.

- Question 1 (30 marks): candidates are required to write a composition in French of between 140 and 150 words. The composition must describe the story depicted in a series of 6 pictures given on the question paper.
- Question 2 (30 marks): a directed writing task. Candidates are offered a choice of two tasks (a letter/email and a narrative) and must complete one of these. Between 140 and 150 words are required.

PAPER 2: Reading (1 hour 15 minutes) (45 marks weighted to 60 marks)

The test will be in three sections.

Section 1 (15 marks)

- Short notices, signs, instructions, messages, advertisements, etc. – multiple-choice questions.
- Short statements and complete a matching exercise which tests the main words in these statements.
- A short text in the form of an email, message, postcard, letter, etc. Questions are objective and test the main points and some detail.

Section 2 (20 marks)

- A longer text in the form of a letter, email, etc. Questions test general understanding of the main points, which include recognising simple attitudes and opinions.
- A longer, more complex text. Questions test general and specific comprehension. They will also require candidates to identify attitudes, emotions and ideas. Questions require short answers in the target language.

Section 3 (10 marks)

- A cloze text with 10 gaps, testing knowledge of grammar, e.g. prepositions / particles, verb agreement, tense, conjunctions, vocabulary.

PAPER 3: Listening (approx. 35 minutes) (30 marks)

All questions requiring written answers are to be answered in French. The aim of this paper is to test candidates' listening comprehension skills and therefore they are not penalised for incorrect or inaccurate language unless it makes their answers ambiguous.

Section 1 (15 marks)

Candidates hear short recordings, sometimes involving two speakers, which are tested mainly by visual material. The recordings contain largely factual information about travel, weather, opening times, facilities available, food, etc. and candidates identify main points and some details. Most of the questions are objective, one or two require a very brief written answer.

Section 2 (15 marks)

Candidates hear recordings of two longer and more complex conversations/interviews. They listen for main points and detail. Some of the questions are objective, some require short answers in the target language.

PAPER 4: Oral (approx. 10 minutes) (60 marks weighted to 30 marks)

A local Examiner must be appointed to conduct the Oral. The name and qualifications of the Examiner are to be notified to Cambridge on form NOE (see Appendix B).

Examiners should also consult the Administrative Guidance on the Speaking Test (see pp. 10–11) and the Marking Instructions (see pp. 12–13).

- **Test 1: Topic Presentation/Conversation (approximately 5 minutes, 30 marks)**
- **Test 2: General Conversation (approximately 5 minutes, 30 marks)**

ADMINISTRATIVE GUIDANCE ON THE SPEAKING TEST

GENERAL INSTRUCTIONS

Absentees

Candidates who do not attend the examination must be shown on the mark sheet as 'absent'. If the Examiner knows that they have withdrawn from the examination s/he should indicate this on the mark sheet. If a candidate is absent because of illness and the Examiner makes arrangements to test him/her later at another Centre, this should be noted. Care must be taken to ensure that the marks for any candidate who is transferred and examined at a Centre other than his/her own are entered on one of the blank sheets provided, along with the candidate's full name and index number and the name of the school being quoted.

Additional Candidates

If any candidate is presented for examination whose name is not on the entry form, s/he should be examined in the normal way and a separate mark sheet made out, bearing name, index number and marks.

ADMINISTRATIVE ARRANGEMENTS

1 Dates

The speaking tests take place before the main examination period. Dates for speaking tests are arranged locally.

Dates will be given for the completion of the speaking tests and for the receipt of mark sheets and recordings at Cambridge.

2 Appointment of examiners

The Singapore Examinations and Assessment Board (SEAB) will appoint the Examiner and make arrangements for candidates to be tested.

3 Size of sample

Each Examiner will be required to record a sample of candidates from the Centre(s) at which he or she examines. The Examiner is asked to select and record six candidates, covering as wide a range of ability as possible (where Examiners examine at more than one Centre, only one sample is required). The candidates selected should be spread as evenly as possible across the range of marks (2 good, 2 middling, 2 weak). This will enable Cambridge to check accurately the standard of assessment. The recording should be carried out in accordance with the instructions headed 'Recording of candidates' (see paragraph 7).

4 Two types of mark sheet are provided:

- (a) One mark sheet (the **Working Mark Sheet**) is intended as a working document, on which the marks should be completed at the time of the conduct of the test, as specified in the Marking Instructions. Be very careful to check all additions. A copy of the Working Mark Sheet is included in this syllabus and should be photocopied by Examiners for use in the examination, as required.
- (b) The total marks should then be transferred accurately from the Working Mark Sheet(s) to the Optical Mark Sheet, supplied by SEAB.

5 Despatch and return of mark sheets and recorded sample

Examiners should return mark sheets and SD cards to SEAB for immediate onward transmission to Cambridge. Do not wait until the end of the assessment period before despatching them.

6 Arrangements for the examination

Examination conditions must prevail in the area where the examination takes place. Adequate supervision should be provided to ensure that candidates leaving the interview room do not communicate with those waiting to enter.

7 Recording of candidates

Centres should ensure well in advance of the test that a suitably quiet room will be available and that their recording equipment is in good order. Rooms which are too close to a playground, recreation room or noisy classroom are to be avoided. It is essential that unnecessary background noise should be excluded.

Moderation samples must be recorded onto an SD card as .mp3 files. Each candidate's file must be saved individually so that it can be accessed for the purpose of moderation.

Care should be taken to ensure that recording quality is good. The recording equipment to be used must be tested in situ some time before the actual examination, ideally with one of the candidates. Examiners should take care to avoid long gaps and extraneous noise on the recordings. If Centres are re-using SD cards, any previous recordings on the card must be deleted prior to the examination.

Recording should be done as unobtrusively as possible and candidates who are chosen for recording should not be made to feel that they are being singled out in any way. It should be emphasised that the recording is being carried out to check the standard of assessment and not the candidate.

1 SD card per Centre must be used. The Examiner should introduce each SD card with the following information: Centre Number, Centre Name, Examination Number, Examination Name, Name of Examiner, Date, e.g.

*“S1234
International School
3917
O level French
Mr R Peters
October 17th 2020”*

Each candidate should be introduced as follows:

*“Index Number e.g. 047
Candidate Name e.g. Jane Williams”*

At the end of the sample, please state “End of sample”.

The recording must not be stopped once a candidate's examination has started.

Each SD card and case must be labelled with syllabus/component number and Centre number.

Each recorded file on the SD card must be clearly named using the following convention:

Centre number_index number_syllabus number_component number.

Before the SD card is despatched, spot checks must be made to ensure that every candidate is clearly audible.

If by accident it is discovered that a candidate has not been recorded, there is no requirement to redo the test. In such a case, however, a letter must be sent to Cambridge detailing the problems, a copy of which should be included with the SD card.
