3. Check your temperature and health. If you are not well, e.g. having a fever (38°C and above), exhibiting flu-like symptoms, do not report for examination. **Please note that candidates who are unwell or with fever or flu-like symptoms, regardless if the symptoms were due to COVID-19 virus, would not be permitted to enter the exam venues.**
4. Arrive at your examination centre at least 45 minutes before the start of your paper.

It is mandatory that you follow the procedures as only those who have completed the procedures are allowed to enter.
6. You must ~~always~~ wear your face mask at all times. Refusal to put on face mask is an offence in Singapore under the COVID-19 (Temporary Measures) Act. **You are only allowed to remove your face mask when you are at the Oral Examination Station and during the reading aloud/oral presentation and oral interaction segments of your Oral Examination with the Oral Examiners.** You will be informed by the Oral Examiner to remove your face mask. Please put on your face mask once the Oral Examiner has informed you that your Oral Examination has been completed and before you leave the Station. During attendance taking, you may also be asked to remove your mask for a short while to verify your identity.
7. As added precautions, a desk shield will be placed between you and the Oral Examiners and you will sit 1.5m away from the Oral Examiners. Oral Examiners will wear face shields and/or face masks during the Oral Examination. You are to raise your

hand and inform the Oral Examiners, if you are not able to hear the Oral Examiners clearly.

8. You are not required to key your User ID and password in the e-Oral System. The Examination Personnel will help you to do this. In addition, no headphones would be provided for this year's Oral Examination. The audio for the video stimulus will be played directly from the laptop. Please alert the Examination Personnel if you encounter any audio issues. These measures are put in place to minimise the contamination from these common touch point surfaces.
9. Always maintain at least 1m from other candidates or persons as part of safe-distancing measure.
10. Do not talk to one other, gather in groups or crowd around any designated area or toilet. You will be dismissed from the examination/quarantine venue in smaller groups and at staggered intervals.
11. If you are unwell during the examination, please inform an examination personnel immediately. You will be accompanied by an examination personnel to a separate room. The examination personnel will assess your condition and will decide on appropriate measures such as making arrangement for you to see a doctor or to send you home. They will follow up with SEAB.
11. In the event of a major disruption such as a major train service disruption or heavy rain, you should still make your way to your designated examination centre. You will be allowed to sit for the Oral Examination if you reach the examination centre within 30 mins after the start of the oral examination. If you are unable to reach your examination centre within 30 mins after the start of the Oral Examination, you will need to write to SEAB at [seab\\_gce\\_admin@seab.gov.sg](mailto:seab_gce_admin@seab.gov.sg).
