#### Science Subjects with Practical components

If you are registering for a Science subject with a practical paper, you:

- Must have sat the same Science subject(s) previously, **OR**
- are currently attending or will be attending a course of instruction in Science practical at any institute/school. You must complete the course of instruction in Science practical at the institute/school enrolled in.

You are required to declare that you have fulfilled the above requirements at the point of registration. Registration for the subject may be cancelled without a refund of the examination fees if a false declaration is made.

#### Mother Tongue Language Subjects

- (a) You may choose to sit for the GCE O-Level and/or A-Level Mother Tongue Language (MTL) subjects during the Mid-Year and/or Year-End examinations. You will need to select either the Mid-Year- or Year-End examinations during the registration period.
- (b) If you have sat the GCE O-Level and/or A-Level Mid-Year MTL examination, you may register to sit the GCE O- Level and/or A-Level Year-End MTL written examination after the release of the Mid-Year results in August 2023. Please note that you will only be allowed to re-sit the written papers.
- (c) You will be advised on the Year-End MTL examination registration procedures and timelines when the Mid-Year MTL examination results are released.
- (d) You will only receive results reflecting the subjects which you sat for in the examination year, once the GCE-Level examination results are released. If you sat for your MTL subject in both the Mid-Year and Year-End examinations, the better result of the two sittings will be reflected on your certificate, provided you obtained an overall pass in your MTL subject.

2.2.1. You may refer to the list of subjects offered for the GCE N(T)-, N(A)-, O- and A-Level examinations, as well as the subjects which are not allowed to be taken together, in [Annex A](#). Any pre-requisites will be mentioned with the subjects.

2.2.2. Please note that the following subjects are not offered to private candidates.

- It is **compulsory** for you to **sit for all registered components** of a subject, such as the Oral, Listening Comprehension, Practical and Written papers. This is regardless of whether you had sat for those papers in previous years.

You will be recorded as 'Absent' for the subject and you will not receive an examination grade if you did not sit for one or more components. This is unless you have been granted exemption by SEAB for the component(s).

- If you sit for the examinations of duplicate subjects\* in the same examination year or across different examination years, only **one** of the subject results can be used in the **aggregate computation** for progression.

\* Duplicate subjects refer to:

- The same subjects offered at different examination levels. An example is GCE N(A)-Level Mathematics Syllabus A and GCE O-level Mathematics.

There will be no refund of examination fees after **30 June 2023, 11.59pm**.

## 4. ACCESS ARRANGEMENTS

Access Arrangements (AA) are examination arrangements granted to candidates with specific learning and physical needs, to enable them to sit the national examinations without compromising the assessment objectives. These arrangements are not intended to give the candidates an unfair advantage over other candidates taking the same examination.

If you require AA to sit the examination(s) due to specific learning and physical needs diagnosed before the examinations, you may apply for AA by following the instructions below.

### 4.1 APPLICATION FOR ACCESS ARRANGEMENTS

- Please submit your AA application by **24 April 2023, 11.59pm** via the [Candidates Portal](#). You may submit AA applications only after you have registered successfully for your examinations.
- AA applications may take up to four (4) months to review. Late applications may not be accepted or approved due to an insufficient time for review.

- 4.1.1 The outcome of your AA application will be released to you via Candidates Portal. You will receive an email notification informing you to download the AA outcome letter. If you do not see the email notification by the stipulated deadline, please check your email's "junk mail" folder. For AA applications submitted by **24 April 2023, 11.59pm**, the AA outcome will be available by the following months:
- May 2023 for the Mid-Year MTL examinations
  - June 2023 for the Year-End examinations
- 4.1.2 You must download the AA outcome from [Candidates Portal](#) and present the AA outcome letter to the examination personnel before the start of your examination(s), so that they can verify any AA granted by SEAB.
- 4.1.3 To withdraw from any AA that was granted, please submit the withdrawal via email to [SEAB\\_CS\\_Admin@seab.gov.sg](mailto:SEAB_CS_Admin@seab.gov.sg) at least five working days before the date of the examination requiring the AA. SEAB will not reinstate the provision of AA once the request for withdrawal has been approved by SEAB. If your withdrawal application is submitted late, the application may not be accepted or approved in time. You may still be considered to have made use of the approved AA during the national examinations and your results will correspondingly be annotated. Please refer to 4.2.2 for more information.

## 4.2. ANNOTATION ON RESULTS

### Types of Access Arrangements with Annotation

Your results will be annotated for the following AA:

- Extra time allowance (including preparation time for oral examination);
- Exemption from satisfying the full range of assessment objectives in a subject (e.g. exemption from oral, listening comprehension etc.);
- Modification of examination papers;
- Use of word processor facilities and other computer aids;
- Use of Reader or Scribe; and
- Practical assistance in areas such as handling of apparatus during the practical examinations, using instruments or graph plotting.

### Types of Annotation Symbols

There are three types of annotation symbols. The explanation for the symbols are as follows:

- **Exemption Symbol (#)**

'The candidate was exempted from satisfying the full range of assessment objectives in the papers sat for this subject.'

- **Access Arrangement Symbol (+)**

'The candidate sat the paper under access arrangements.'

- **E\* Symbol**

'The candidate was exempted from the Oral and/or Listening Comprehension component due to valid reasons.'

- 4.2.1 SEAB annotates a candidate's results only when there are significant modifications for an examination. This is to indicate factually that the candidate had taken the examination under conditions that are different from the standard prescribed testing conditions, and it is done to uphold the integrity of the system.

SEAB will not reveal the details regarding the non-standardised conditions, even if there are requests for them.

- 4.2.2 If you would like to withdraw your AA application for a subject, you must submit the withdrawal application at least five working days before the date of the examination of the subject. Otherwise, your results will still be annotated. This is even if you did not make use of the approved AA during the national examinations.
