**RELEASE OF 2013 PSLE RESULTS AND
2013 SECONDARY ONE POSTING EXERCISE**

1. The results of the 2013 Primary School Leaving Examination (PSLE) will be released on Friday, 22 November 2013. Students may obtain their result slips¹ from their respective primary schools from 11.00 am on 22 November 2013.

Submission of Secondary One Option

2. Eligible students will also receive option forms to select secondary schools when they collect their results slips. Students are required to complete the option forms together with their parents.

3. In every sealed Secondary One (S1) Option Form, there will be a unique S1 Personal Identification Number (S1 PIN) which will allow parents to submit the secondary school options for their child online via the Secondary One Internet System (S1-IS). The S1-IS will be accessible from 11.00 am on 22 November 2013 to 3.00 pm on 28 November 2013 through the Ministry of Education's (MOE) S1 Posting website at www.moe.gov.sg/education/admissions/secondary-one-posting/.

4. Parents are advised to consider carefully their child's choices of secondary schools and complete the option form before logging on to the S1-IS, so that they can complete their online submission smoothly.

5. Alternatively, parents may submit their child's secondary school options through their child's primary school. Submission at the primary schools will be from 11.00 am to 3.00 pm on 22 November 2013; and 9.00 am to 3.00 pm between 25 and 28 November 2013.

¹ The highest and lowest PSLE aggregate scores will not be printed on the PSLE result slips from this year to allow the student to focus on his own achievement and holistic development.

7. Students are to report to the secondary schools they are posted to on Monday, 23 December 2013 at 8.30 am.

8. For enquiries, parents can call the MOE Customer Service Centre at 6872 2220 on weekdays from 8.00 am to 6.00 pm and from 8.00 am to 1.00 pm on Saturdays.

Third Language

9. Students who are eligible to take a Third Language will receive an eligibility letter with the release of the PSLE results. A new Third Language, Spanish, will be offered at Secondary One from 2014.

Spectra Secondary School to Admit Secondary One Students from 2014

10. Spectra Secondary School will admit students from January 2014, joining Crest Secondary School as the second specialised school for students eligible for the Normal (Technical) course. Apart from offering English Language, Mother Tongue Language and Mathematics as part of a four-year Normal (Technical) secondary school education, Spectra Secondary School students will be able to specialise in one of four ITE Skills Certificate courses at upper secondary level, namely Hospitality Services, Retail Services, Facility Services and Mechanical Servicing.

11. Interested students who are eligible for the Normal (Technical) course should apply directly to Crest Secondary School or Spectra Secondary School from 22 to 26 November 2013. These students should also apply for the other secondary schools in the S1 Posting Exercise. This would ensure students will be posted to another school of their choice if they are not admitted into Crest Secondary School or Spectra Secondary School. Students who are successful in gaining admission into Crest Secondary School or Spectra Secondary School will be informed by the schools via letter and SMS by 13 December 2013 and will not be posted to another school under the S1 Posting Exercise. Application forms will be available from primary schools when students receive their results, or on the schools' websites (<http://www.crestsec.edu.sg> and <http://www.spectra.edu.sg>). More information on Crest Secondary School and Spectra Secondary School can be found in the Secondary One Information Booklet and on the schools' websites.
